Independent Auditors' Report

We have audited the accompanying consolidated financial statements of Cleveland Restoration Society, Inc. (a not-for-profit corporation), which comprise the consolidated statements of financial position as of December 31, 2014 and 2013, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related consolidated notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Cleveland Restoration Society, Inc. as of December 31, 2014 and 2013 and the consolidated changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other

Our audit was conducted for the purpose of forming an opinion on of the basic financial statements taken as a whole. The information on pages 19-24 is presented for purposes of additional analysis and is not a required part of the financial statements. The information has been subject to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013

NOTE 1- Description of Organization

- A. Cleveland Restoration Society, Inc. (CRS) is a non-profit, membership organization. CRS uses the powerful tool of historic preservation to revitalize our diverse communities, strengthen the regional economy, and enhance the quality of life in northeastern Ohio.

CRS's vision: Our dream for ourselves and our children is that northeastern Ohio reclaims its vitality and prosperity and adds to its beauty through the preservation of its remarkable architectural heritage.

CRS has two core programs - Public Education and Advocacy and the Preservation Services Program (including the Sacred Landmarks Assistance Program). CRS and its staff are headquartered at the historic Sarah Benedict House in the Upper Prospect Historic District in downtown Cleveland.

Heritage Home Education Society (HHES) is a non-profit organization that works closely with CRS. The two organizations share board members, staff and other resources and therefore, HHES is consolidated within these financial statements.

HHES has one core program the Heritage Home Program.

- B. Both agencies are tax-exempt under Internal Revenue Service Code Section 501(c)(3).

NOTE 2- Summary of Significant Accounting Policies

- A. General Methods- The accompanying financial statements have been prepared as prescribed in the American Institute of Certified Public Accountants' Guide for Not-For-Profit Organizations.
- B. Accrual Basis- The organization records transactions on an accrual basis. Revenue is recognized when earned, support is recognized when receivable, and expenses are recognized when incurred.
- C. Statements of Financial Accounting Standards Board (FASB)

CRS complies with FASB ASC 958-605-25, which affects the timing of revenue recognition with regard to temporarily restricted net assets.

See Auditors' Report

CLEVELAND RESTORATION SOCIETY, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2014 AND 2013

NOTE 2- Summary of Significant Accounting Policies (Continued)

CRS also complies with FASB ASC-205, which establishes standards for general purpose external financial statements of not-for-profit organizations. This statement requires classification of an organization's net assets and its support and revenue, expenses and distributions based on the existence or absence of donor-imposed restrictions into three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Temporarily restricted net assets are available for payment of program expenses or specific operating expense and cannot be used for general operating expenses unless specifically stated in the grant.

- D. Allocation of Expenses- Expenses are generally charged to the specific program to which the expense applies. Occasionally common expenses may be applied to more than one expense category. In such cases an allocation method based on payroll is used to allocate expenses appropriately.

Expenses associated with grant writing and reporting, and other staff time associated with raising funds are shown on the functional expense statement as fund-raising expenses.

- E. Depreciation - Property and equipment are depreciated using the straight-line method over estimated useful lives. (See Note 6- Property and Equipment)
- F. Use of Estimates- The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reporting period. Actual results could differ from those estimates.
- G. Contributions and Grants- Nonrestricted contributions, if any, are recorded as support when received or receivable. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Grants with donor restrictions are recorded as temporarily restricted grants when awarded. Some grants awarded to CRS require the fulfillment of certain specific conditions. Failure to fulfill these conditions could result in either the return of funds to the grantor or the refusal by the grantor to release additional funds pursuant to the grant.
- H. Unadopted FASB statements. Various FASB statements have been issued, where compliance is encouraged but not required until years ending after December 31, 2014. Management is unaware of any issued and unadopted FASB statements that would have a material effect on the financial statements.

See Auditors' Report

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2014 AND 2013

NOTE 2- Summary of Significant Accounting Policies (Continued)

- I. CRS complies with FASB ASC 740- Accounting for Uncertainty in Income Taxes. FASB ASC 740 details how companies should recognize, measure, present and disclose uncertain tax positions that have been or are expected to be taken. As such, the financial statements would reflect expected future tax consequences of uncertain tax positions presuming the taxing authorities' full knowledge of the position and all relevant facts, if they existed. The management of CRS believes that there are no uncertain tax positions. The organization's tax years that remain subject to examination by the Internal Revenue Service are 2011, 2012, and 2013.
- J. Advertising Costs- CRS expenses advertising cost when incurred.
- K. Investments- Initial valuation- Pursuant to FASB ASC 958-320 and FASB ASC 958-325, CRS initially measures investments at acquisition cost (including brokerage cost and transaction fees) if they are purchased. If they are received as a donation they are recorded at estimated fair value.

Subsequent valuation- CRS complies with FASB ASC 958-320, which requires investments in equity securities with readily determined fair value and all investments in debt securities to be measured at fair value in the statement of financial position. With regard to other investments, such as real estate, CRS values the investment at lower of cost or management's estimate of fair value.

Valuation hierarchy- FASB ASC 820-10-50 Fair Value Measurements and Disclosures requires categorization of applicable financial instruments into a required fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). For CRS the financial assets and liabilities reported at fair value are based upon quoted prices for identical assets or liabilities in an active market (Level 1).

NOTE 3- Cash and Cash Equivalents

CRS considers all highly-liquid investments with an original maturity of three months or less when purchased to be cash equivalents. There are no bank restrictions on the cash accounts. CRS maintains its cash in a bank account which, at times, exceeds federally-insured limits. The organization has not experienced any losses in this account and believes it is not exposed to any significant credit risk related to cash.

NOTE 4- Restricted Cash in Escrow / Heritage Home Program - Loans

The Heritage Home Program was developed to assist homeowners in the rehabilitation of older homes. As part of this program, low fixed rate financing is arranged through certain financial institutions for repair, maintenance and rehab projects for the homes. CRS prepares written construction specifications for exterior projects, will provide names of qualified contractors and will provide technical advice as to the proper materials and design of the projects.

As part of the approved loan process, funds are deposited with CRS, whose sole purpose is to act as escrow agent of the funds that are to be disbursed for project expenses. Property owners and contractors will provide to CRS documents including contract estimates, plans, permits, and certifications created to execute the work to be performed by the contractor or homeowner. CRS, with the approval of the property owner, will disburse funds from escrow to pay for the performance of work as stipulated in the contract.

CRS is liable for those funds actually deposited and received by it under an escrow agreement. CRS is permitted to invest such funds and is entitled to earn and receive all interest derived from such investments. CRS has recorded a liability for the amount of escrow proceeds received and a corresponding asset representing the restricted cash invested in the accompanying Statement of Financial Position, amounting to \$1,672,221 and \$763,224, as of December 31, 2014 and 2013, respectively.

NOTE 5- Grants and Accounts Receivable

Grants and accounts receivable comprise the following amounts:

	<u>2014</u>	<u>2013</u>
City of Cleveland	\$ 486	\$ 4,280
Cuyahoga Arts and Culture	8,892	8,892
Ohio Arts Council	24,870	24,870

Other receivable	<u>9,703</u>	<u>20,916</u>
Total Grants and receivables	<u>\$ 159,901</u>	<u>\$ 214,634</u>

Based upon review of specific receivables, management believes that all amounts are collectible.

NOTE 6- Property and Equipment

Property and equipment are stated at cost, if purchased, or at the fair market value on the date of donation, if contributed. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets as follows:

Category	Estimated useful life
Furniture & Fixtures	7 years
Equipment	5 years
Public Garden	15 years
Sarah Benedict House	20 years

Costs of maintenance and repairs are charged to expenses. Costs of renewals and betterments, where significant in amount, are capitalized.

Prior to 1999, CRS did not track donated furniture and fixtures. Since the date and value of these pre-1999 donations cannot be determined, and since many of the items would be fully depreciated before the date of these statements, a value for these items has not been included in the financial statements.

NOTE 7- Heritage Home Educational Society

During 2012, CRS formed the Heritage Home Educational Society to administer the Heritage Home Program. This entity allows CRS to work outside the City of Cleveland and expand the program not only within Cuyahoga County, but to other counties as well.

This entity was inactive during 2013. Effective January 1, 2014, HHES ran the entire Heritage Home Program. As a wholly owned subsidiary, all assets and liabilities are consolidated in these financial statements. (See Note 4)

NOTE 8- Receivership Property

CRS is rehabilitating a property under the receivership law of Ohio. CRS petitioned the housing court and was appointed legal receiver of this property, which was declared a public nuisance because of the state of disrepair. CRS will perform certain repairs and then sell the property. The proceeds of the sale are applied as follows:

1. Repair costs
2. Receivership fee to CRS
3. Satisfy original liens
4. Balance to owner

*Total investments at Vanguard	<u>\$254,785</u>	<u>\$1,131,482</u>	<u>\$1,386,267</u>	<u>\$1,406,222</u>

The other stocks include 11 different classes of stocks. CRS's investment in the stock funds range from \$10,000 to \$140,000. The bonds include 3 different classes of bonds. CRS's investment in the bond funds range from \$20,000 to \$260,000. The original source, for the purchase of the investments, was a donor restricted contribution. The principal balance was required to be invested in perpetuity; gains (net of losses) up to 5% of the fund each year are available for withdrawal for operating expenses. Over time, additional donor restricted contributions have been added to the investments.

In 2007 and 2011, CRS received unrestricted contributions from the estates of CRS supporters in the amounts of \$435,841 and \$400,000, respectively. CRS's board chose to add a portion of these contributions to the existing investment account in an attempt to further secure the financial stability of the organization. Although the intention of the board is to observe the same guidelines of the original endowment and only withdraw up to 5% of the fund each year, the principal can be withdrawn with a majority two-thirds vote of the board. Any earnings, losses and withdrawals are allocated proportionally to the balance of the donor restricted and board designated portion of the investments.

NOTE 10- Credit Line

CRS also has an unsecured cash reserve (credit line) of up to \$10,000. The interest rate is 12.75%. The balance as of December 31, 2014 and 2013 was \$0.

NOTE 13- Permanently and Board Designated Restricted Net Assets

The permanently restricted funds consist of the General Endowment and the Sarah Benedict House Endowment.

The General Endowment was established in 1996 with a \$100,000 gift from the F. J. O'Neill Charitable Corporation. This gift and other contributions are required to be invested in perpetuity. Also included in the General Endowment fund is a \$50,000 gift from the Estate of Robert Cull and a \$25,000 gift from Robert C. Gaede, the latter gift being for the purpose of awarding an annual lifetime achievement award. The fund balance (\$269,538) consists of the foregoing \$175,000 principal balance and \$94,538 of accumulated earnings.

During fiscal years ended December 31, 2014 and 2013, the CRS board has elected to transfer \$12,472 and \$99,236 of investment earnings to the operating account. The remaining investment earnings have been left in the fund.

The Sarah Benedict Endowment is a donor restricted endowment fund. The proceeds of the fund are restricted to the operation and maintenance of the Sarah Benedict House. Included in the fund is a \$70,000 gift from the F. J. O'Neill Charitable Corporation, among other gifts from foundations, corporations and individuals.

The funds consist of securities and money market funds as follows:

	<u>2014</u>	<u>2013</u>
General Endowment	\$ 269,538	\$264,080
Sarah Benedict House Endowment	<u>254,785</u>	<u>250,624</u>
Total Permanently Restricted Net Assets	<u>\$ 524,323</u>	<u>\$514,704</u>

NOTE 14-Reclassification

Certain revenue and expenses for fiscal year ended December 31, 2013, have been reclassified to conform to fiscal year ended December 31, 2014 presentation. None of the reclassifications affect the net assets.

NOTE 16- Employee Benefit Plan

CRS has established an employee benefit plan effective January 1, 1998, under which employees can make elective deferrals as provided for under I.R.C. section 403 (b). Effective January 1, 2013, CRS matches 100% of the first 3% of the compensation contributed by the employee and 50% of the next 3% of compensation contributed by the employee. The pension expense for the years ended December 31, 2014 and 2013 was \$17,614 and \$14,270, respectively.

NOTE 17- Leases

CRS leases its office equipment under two noncancellable operating leases. One lease calls for monthly rental payments of \$482 and the other calls for quarterly payments of \$159. The future minimum required lease payments on the equipment are as follows:

2015	\$ 1,446
Thereafter	<u>-</u>

NOTE 18- Statement of Cash Flow Disclosures

The amount of interest paid on all indebtedness was \$1,373 and \$1,649 for December 31, 2014 and 2013, respectively.

NOTE 19- Related Party Transactions

Board members provide free legal advice as needed throughout the year. This legal advice is recorded as revenue in the form of donated services and a corresponding expense, professional fees-donated in the amount of \$12,000 for each of the years ended December 31, 2014 and 2013, respectively.

Board members and volunteers provide free architecture and engineering services. These donated services include surveying historic buildings, researching potential projects, and providing assistance with other preservation related matters. The architecture and engineering services are recorded as donated services and professional fees-donated in the amount of \$22,200 for each of the years ended December 31, 2014 and 2013, respectively.

NOTE 20- Contingent Liabilities

Vacation is earned and accrued commencing January 1, of each year, and is based on service time of the employee and whether the employee is full or part time. Vacation pay not used as of the end of the year is not carried forward to the next year (except as noted below). Consequently no liability exists as of December 31, 2014 and 2013.

It is the policy of CRS to allow employees to “bank” unused vacation as extended sick time. The banked sick time can accumulate up to a maximum amount and is carried forward. Since there is no requirement that the employee be compensated for unused sick time, no liability is recorded as of December 31, 2014 and 2013. An expense and corresponding liability will only be recorded if sickness occurs.

NOTE 21- Subsequent Events

CRS has evaluated subsequent events through March 18, 2015, which is the date the financial statements were available to be issued.
